2 Research Questions

This is a **very** nice map of the internet SCIENTIFIC. IN figure 1 you can see this Very Good!!!

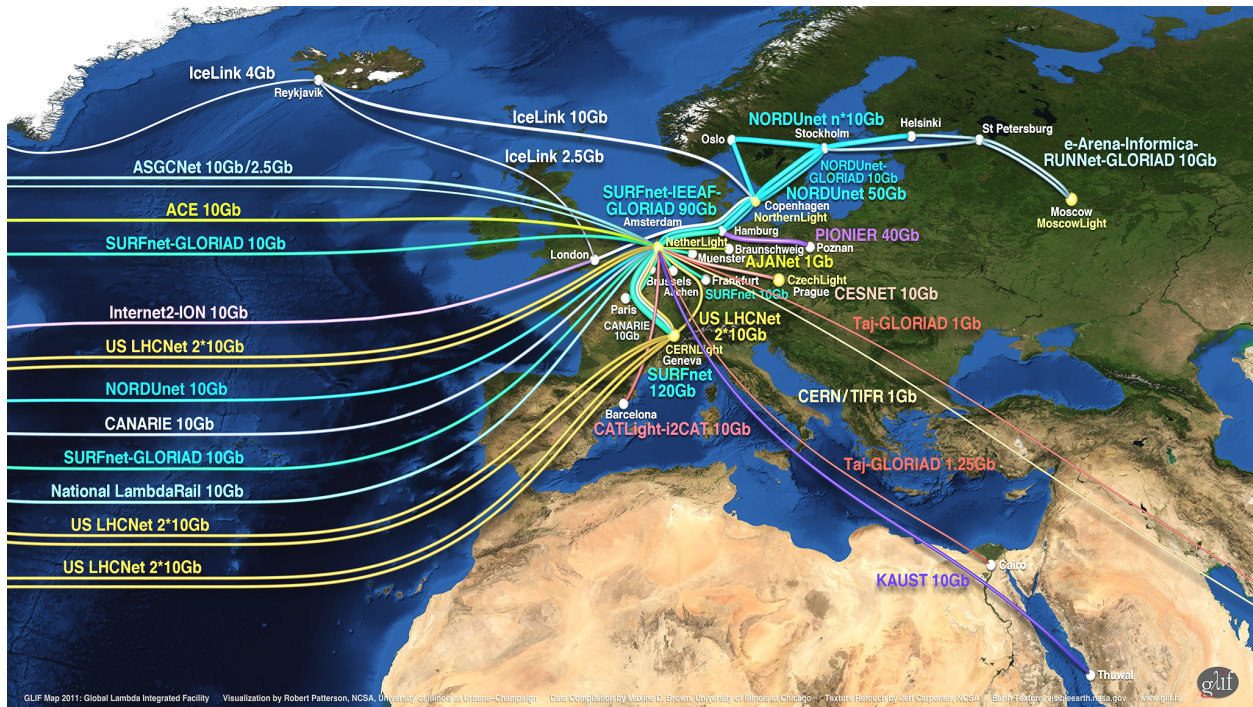

Figure 1: GLIF Map 2011

And even *better* THAT!!! this is \LaTeX

3 Approach

subsection without number

text **bold text** text. Some math: $2 + 2 = 5$

3.1 subsection

text *emphasized text* text. [2] discovered the structure of DNA.

This is a sophisticated enumeration

4 Quotes and Fonts

An example of a short quote:

This is the short quote This second part is made up of two lines, if I add enough characters I should make it. . .

This is the end of the short quote

This is a math equation

$$k^2 \geq 1, x = \frac{x + z/2}{y^2 + 1} \tag{1}$$
